

# Fly Nets for Women and Beasts

**NO FLIES ON THIS ARMY.**—Flies are effectively kept at bay by the women's army at a training camp, Somewhere in Australia, by the adoption of fly nets. **Left:** A line-up of A.W.A.S. smiling through their nets. **Below:** Horses, too, are protected against the hot-weather pests as this picture shows

2.1.43  
Field-Marshal Lord Gort

4.1.43  
**GENERAL GREGORY ZHUKOV**, who has been transferred from the central Russian front to replace Marshal Timoshenko. He is responsible for the successful offensive south-west of Stalingrad and the Middle Don.
