

HITLER TO HIS ARMY

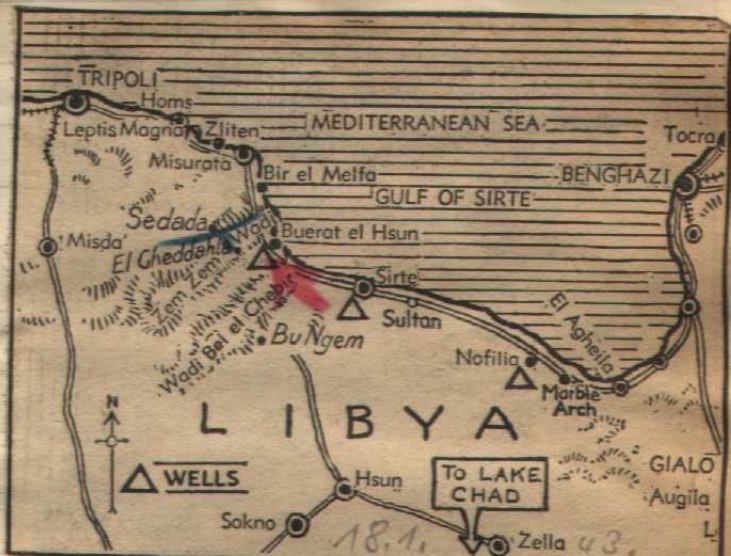

"Victory is Certain"

LONDON, Jan. 1 (A.A.P.)—Hitler has issued the following order of the day to the German army:—

"From Norway to the Spanish frontier German soldiers are ready to reduce to nought any enemy enterprise. Wherever the enemy tries to attack he will be inexorably defeated.

"The year now opening will doubtless be as hard as the preceding ones, but victory is certain, and the sufferings of the German soldiers will not be in vain.

"Fighting for life and liberty Germans can address themselves to God in the certitude that He will grant them victory."
